

SUSTAINABILITY MAKES YOU BETTER.

CMR and GLJ will help you make sense of what ESG means for your organization, allowing you to DIFFERENTIATE your business and lead with bespoke SUSTAINABILITY solutions, practices and communications.

WHY IS SUSTAINABILITY IMPORTANT?

FINANCIAL PERFORMANCE

Differentiate and attract capital by meeting or exceeding targets.

INDIGENOUS INCLUSION

Recognize inherent rights and build relationships, partnerships and capacity.

STAKEHOLDER ENGAGEMENT

Align values and collaborate for shared outcomes.

RISK MANAGEMENT

Mitigate material priorities within a robust governance strategy.

ENVIRONMENT STEWARDSHIP

Lead industry through responsible practices.

OPERATIONAL EXCELLENCE

Demonstrate efficient, reliable, innovative and safe operations.

VALUE-BASED CULTURE

Empower internal participation that elevates performance.

SUSTAINABILITY IS THE PATHWAY TO EXCEPTIONAL PERFORMANCE.

Your sustainability strategy establishes **CREDIBILITY** and demonstrates **TRANSPARENCY**.

Recognize and assess your materiality and align indicators to reporting standards that allow you to build systems and processes.

By identifying, monitoring and measuring you can achieve your milestones and hit your targets.

Ensure **thriving** and **resilient** communities and organizations for our **shared future**.

Sustainability is what your **STAKEHOLDERS DEMAND** from you.

Let us help you optimize your sustainability return on investment by providing independent reporting assurance.
